

NEW PROCEDURES GOLDEN GAITS STABLES

Golden Gaits is doing everything possible to keep rides, staff and family safe during this crazy time. We are asking your help in being willing to follow our guidelines. If you have any concern please call, text or email B. J at 817-988-6119, goldengaitstexas@yahoo.com

1. **Riders and one parent** must enter on the sidewalk and **line up at the 6-foot social distancing** and remain until checked in. Rider will be assigned and put on a horse or will self-mount if able.
2. **ONLY TWO SPECTATORS WITH A RIDER. NO EXCEPTIONS! ALL MUST WEAR MASK**
3. **Parents** staying should either wait in their car or be seated in the spaced seating area on benches and **remain there** until the rider is dismounted and released. **Children not riding must stay seated** and count as part of the two people with the rider or remain in the car.
4. After rider is mounted, **one parent will be asked to approach the table one at a time to pay and/or schedule.**
5. Riders will use **hand sanitizer before mounting and after dismounting**, then reins will be sterilized prior to the next rider.
6. No riders will be allowed to ride if they have **nasal discharge or drainage or coughing excessively**. Riders who schedule and demonstrate this will not be mounted but must pay for the scheduled time.
7. Sick or people not feeling well or with temperature should not come on property.
8. Riders please **bring your own water.**
9. **Little 30 -minute riders** must be able to hold themselves in the saddle without assistance, as staff will not hold them on.
10. **Staff will also wear mask and disposal gloves.** Riders may also wear disposal gloves if they wish but must provide their own and dispose of properly in the trash bin provided.
11. Please **arrive on time and depart immediately after the ride and leave the parking area. DO NOT ARRIVE EARLY** as we want to limit the number of people in the area. No exceptions. When you arrive, park in designated areas marked off in the driveway and remain in the car until time to line up.
12. When using the toilet please put paper in trash then sterilize your hands prior to leaving. Hot water and soap for 20 seconds is not currently available. We will provide hand sanitizer but you may also want to bring your own.
13. Please **do not play with the birds, dog, cat, horses or on the swing** prior to or after riding or if you are waiting for a rider.
14. If you see any of our staff not following these same rules, please **notify an instructor** immediately.
15. Riders will be taken off in the order they were put on. Family and rider should leave by the designated **EXIT AREA ONLY!**

These new rules may be adjusted as we maneuver our way through this crazy process. **We ask that you participate by following all the request.**

If you or your family have been exposed to COVID-19, have fever, feel sick or have other health issues that might be connected to the CORONA VIRUS, please do not attend riding lessons
